

Fast-Track-IMS - Executive Commitment Declaration

Our company appreciates the value of demonstrating good corporate governance to clients and other key stakeholders. We understand that Fast-Track-IMS (FT-IMS) has been developed to support effective and low-cost implementation of the management best practice specified in the Standards for Quality (ISO 9001), Environment (ISO 14001) and Occupational Health & Safety (BS OHSAS 18001).

In pursuit of our strategic business and sustainability objectives, we commit to fully engage with the FT-IMS programme to develop within our organisation an effective management system conforming to ISO 9001, ISO 14001 and OHSAS 18001. In particular, our company undertakes to:

1. Complete the FT-IMS programme successfully within the six-months timeframe.
2. Nominate a project manager to co-ordinate FT-IMS activities within our organisation.
3. Provide the project manager with access to a web-enabled PC to utilise the online FT-IMS Toolkit and collaborate with the other FT-IMS group participants.
4. Ensure that the project manager has support from colleagues and resources* to deliver the FT-IMS programme deadlines. (**typically a minimum of 4 man-days per month*).
5. Nominate a senior company representative to participate in the seven FT-IMS Group Meetings along with the project manager nominated above.
6. Conduct positive dialog with clients on supply chain innovation and requirements.
7. Ensure the FT-IMS participation fee is submitted to ISYS before the programme start date.
